

## Invitation for City Fair 2021

We are announcing a special partnership for CTA buyer members who want to take part in [City Fair 2021](#), organised by ETOA.

Celebrating its 10th Anniversary this year, **City Fair will offer 5,000+ meetings** with some of the most influential tourism suppliers from across Europe as they plan for recovery. More than ever, June's event will bring together the right people to forge new business and share new ideas as markets begin to reopen.

Our event will give you a great opportunity to arrange 1-2-1 meetings with a wide range of suppliers entirely free of charge. We will be holding this year's event online and our workshop format means you can hold scheduled appointments with tourism buyers from across the world without leaving your desk.

**CTA buyer members can attend City Fair free of charge. Places are limited, so make sure you book your space as soon as possible by clicking the button below:**
