WICKED is Back on Sale!

When Dorothy famously triumphed over the Wicked Witch, we only ever heard one side of the story. Gregory Maguire's acclaimed 1995 novel *Wicked: The Life and Times of the Wicked Witch of the West* re-imagined the land of Oz, creating a parallel universe to the familiar story written by L. Frank Baum and first published as *The Wonderful Wizard of Oz* in 1900.

Wicked tells the incredible untold story of an unlikely but profound friendship between two girls who first meet as sorcery students at Shiz University: the blonde and very popular Glinda and a misunderstood green girl, Elphaba. Following an encounter with *The Wonderful Wizard of Oz*, their friendship reaches a crossroads and their lives take very different paths.

The spectacular, multi award-winning stage musical, with music & lyrics by Stephen Schwartz and a book by Winnie Holzman, has become the most spellbinding and successful new musical in years.
