GROUPS PRODUCT UPDATE

ONLY FOOLS AND HORSES THE MUSICAL

Opening 1 Oct 2021

Mais ouis, mais ouis, the world may have changed a lot since we first bid a jovial 'au revoir' to the Trotters of Peckham, but good 'ol Del Boy, Rodney and the rest of the gang haven't changed a bit... well, apart from the odd spontaneous bursting into song here, and the occasional dancing across the market, there.

The landmark, record-breaking and top-rated television series Only Fools and Horses, written by the late, great **John Sullivan**, undoubtedly holds a special place in the hearts of the British public. Now John's son **Jim Sullivan** has teamed up with comedy giant **Paul Whitehouse** to write and produce a script and score to honour his father's legacy; recreating the iconic series into a critically acclaimed, brand-new, home-grown British Musical spectacular. Lovely Jubbly!
