

Enjoy Christmas in Devon with our Festive Special River Cruise!

Welcome aboard our warm and comfortable vessels for a relaxing Christmas cruise!

Our cheerful Crew will serve your customers with our family's secret recipe homemade mulled wine and warm, locally baked mince pies, whilst our Skipper entertains with an informative live commentary, as we make our way around the Exe Estuary.

The River Exe is a Site of Special Scientific Interest with Ramsar designation, internationally recognised as one of the most significant feeding grounds for migratory bird life during winter. Thousands of birds travel from the likes of Greenland, Iceland, and Arctic Siberia to have their babies and make the most of the shelter we have here, and our winter river cruises provide an excellent opportunity to discover some of the country's most spectacular wildlife.

These cruises operate between the months of November to March, including every day over the Christmas and New Year period, in the calm and sheltered waters of the River Exe – a truly weatherproof excursion for your group.

The Stuart family look forward to welcoming you aboard!
