

Join ETOA's Global European Marketplace and get 2021 off to the best possible start

We are announcing a special partnership for CTA operator members who want to take part in [GEM 2020](#) organised by ETOA.

Global European Marketplace (GEM) has always been the most important event in the ETOA calendar with over 15,000 pre-scheduled meetings held between hundreds of European suppliers and international operators and intermediaries in 2019 alone. But in 2020 this event will take on even greater importance as the platform to connect, do business and launch their recovery from the damage done by COVID-19.

Over 350 delegates have already registered to attend, click [here](#) to see the confirmed list to date.

Join GEM online on the **30th of October**:

- Access a full day of **pre-scheduled meetings**, with the opportunity to request your preferred suppliers ahead of the event
- Widest choice of European destinations and suppliers
- [ETOA video platform](#) offers a uniquely efficient way to make contacts
- ETOA system designed to facilitate your follow-up processes
- Support team available online on and before the day of the event

Special offer: FREE to attend for CTA operator members. Register by 9th October:
